## KEMCO SYSTEMS ANNOUNCES HIRE OF CFO

**July 16, 2019 | Clearwater, FL** | Kemco Systems, a global water and energy technology company, recently announced the hire of Chief Financial Officer, Joanie Vergo.

Joanie is a graduate of the University of Tampa holding a Master of Science and Bachelor of Science degree in Accounting. She also holds a Bachelor of Arts in Business Administration from West Virginia University. Joanie's 10+ years of experience includes time at PwC as well as significant practice in retail, retail manufacturing/distribution and the news media industries.

Most recently Joanie served as a Controller OttLite Technologies in Tampa, FL, responsible for the full cycle of accounting processes and controls, performing extensive margin and operation expense analysis, and providing recommendations in formulation of sales and operational strategy. Joanie believes that accounting is a "team sport" and that the Finance department has a unique role in facilitating cross-departmental communication, collaboration and that its active contribution is necessary for an optimally functioning organization.

Joanie is from Rochester, NY and resides in Tampa, FL. She is a lifelong equestrian and enjoys satisfying her competitive spirit competing her show Hunter, as well as living an active lifestyle by running and working out. She is also an avid college football fan and enjoys cheering for her beloved Mountaineers.

### *About Kemco Systems*

*Since 1969, Kemco has delivered over 5,000 systems worldwide for industrial water reuse/recycle, wastewater treatment, hot water heating, wastewater heat recovery, flue gas heat recovery, vapor/steam curing and conditioning, and total system monitoring. Built for the most challenging conditions, Kemco's systems are built to the highest standards of excellence, offering exceptional reliability, outstanding quality and top value for its client's energy dollar.*
