## Press Release

### **KEMCO SYSTEMS INTRODUCES NEW EQUIPMENT PROTECTION PROGRAM**

**June 18, 2019 | Clearwater, FL** | Kemco Systems, a global water and energy technology company, recently announced the introduction of a new equipment protection program PROTECT.

Delivering superior value and exceptional service, PROTECT is designed to keep your plant running safely and efficiently, while maximizing the life of your equipment. PROTECT is a customized plan based on your unique system. PROTECT is custom built from a variety of services for your water, filtration and thermal energy system needs. These include, but are not limited to, performance evaluations, material condition inspections, safeties, inspections, technology upgrades, rebuilds and exchanges, water analysis, spare parts and training. Whether your system is old or new, PROTECT has a plan for you. <https://www.kemcosystems.com/protect2019>

#### *About Kemco Systems*

*Since 1969, Kemco has delivered over 5,000 systems worldwide for industrial water reuse/recycle, wastewater treatment, hot water heating, wastewater heat recovery, flue gas heat recovery, vapor/steam curing and conditioning, and total system monitoring. Built for the most challenging conditions, Kemco's systems are built to the highest standards of excellence, offering exceptional reliability, outstanding quality and top value for its client's energy dollar.*
