## KEMCO SYSTEMS ANNOUNCES PROMOTION VP OF ENGINEERING

**January 18, 2018 | Clearwater, FL** | Kemco Systems, a global water and energy technology company, recently announced the promotion of Ann Elder to the role of VP of Engineering.

Ann Elder joined the Kemco team as a Project Engineer in 2013, as the second female engineer in the 50-year history of the company. Two years later Ann was promoted to Director of Engineering. Ann's consistent process improvement mentality and meticulous attention to detail has assisted in Kemco's overall evolution and earned her the role VP of Engineering. We congratulate Ann on this well-deserved promotion.

*About Kemco Systems, Co. LLC*

*Since 1969, Kemco has delivered over 5,000 systems worldwide for industrial water reuse/recycle, wastewater treatment, hot water heating, wastewater heat recovery, flue gas heat recovery, vapor/steam curing and conditioning, and total system monitoring. Built for the most challenging conditions, Kemco's systems are built to the highest standards of excellence, offering exceptional reliability, outstanding quality and top value for its client's energy dollar.*

Inquiries and question about Kemco should be sent to:

Eisa Sawyer, Marketing Director
