KEMCO SYSTEMS ANNOUNCES HIRE OF MIDWEST REGIONAL SALES MANAGER

July 23, 2019 | Clearwater, FL | Kemco Systems, a global water and energy technology company, recently announced the hire of Midwest Regional Sales Manager, Dave Mardon.

Dave is an experienced Sales, Business Development and Marketing Management professional with 25 plus years' experience selling technology-based products, integrated solutions and capital equipment - primarily to the food and beverage marketplace. 12 years of his career was with Hydro-Thermal Corporation selling and managing the sales team for Direct Steam Injection systems for heating, cooking, pasteurizing food products and for utility hot water systems in all types of plants from Meat Processors to Pulp and Paper to Ethanol.

Dave and his family live in Pewaukee WI and he enjoys spending time outside with his dogs and bow hunting in the North Woods for Deer, Bear and Turkey, and yes, he is a die-hard Packer fan.

About Kemco Systems

Since 1969, Kemco has delivered over 5,000 systems worldwide for industrial water reuse/recycle, wastewater treatment, hot water heating, wastewater heat recovery, flue gas heat recovery, vapor/steam curing and conditioning, and total system monitoring. Built for the most challenging conditions, Kemco's systems are built to the highest standards of excellence, offering exceptional reliability, outstanding quality and top value for its client's energy dollar.
