KEMCO SYSTEMS ANNOUNCES GROWTH IN SALES TEAM

April 18, 2019 | Clearwater, FL | Kemco Systems, a global water and energy technology company, recently announced the hire of 3 new Sales Team members.

Matt Lewis comes to Kemco with an extensive sales background in the laundry industry and outfitting laundry automation systems. Based in Atlanta, Matt will lead our global Laundry Market Vertical.

Dillon Moran's diverse background in water technologies makes for a smooth transition as our Regional Sales Manager in the Northeast Territory.

David Schwartzel is a Civil Engineer with 20 plus years designing and selling disinfection and water technologies. David is our Regional Sales Manager in the Northwest Territory.

About Kemco Systems

Since 1969, Kemco has delivered over 5,000 systems worldwide for industrial water reuse/recycle, wastewater treatment, hot water heating, wastewater heat recovery, flue gas heat recovery, vapor/steam curing and conditioning, and total system monitoring. Built for the most challenging conditions, Kemco's systems are built to the highest standards of excellence, offering exceptional reliability, outstanding quality and top value for its client's energy dollar.

Inquiries and questions about Kemco should be sent to:

Eisa Sawyer, Marketing Director
