## KEMCO SYSTEMS ANNOUNCES

**August 10, 2017 | Clearwater, FL** | Kemco Systems, a global water and energy technology company, recently announced another key hire to their team with the addition of David Lemen to lead the sales and marketing group.

David Lemen has been appointed the Vice President of Sales and Marketing, where he will lead the team's water reuse and thermal energy recovery sales force. David has spent the last 11 years in the water and waste water industry with Evoqua, most recently as Business Development Manager for North American service products. David will be based at Kemco's headquarters in Clearwater, FL.

### *About Kemco Systems, Co. LLC*

*Since 1969, Kemco has delivered over 5,000 systems worldwide for industrial water reuse/recycle, wastewater treatment, hot water heating, wastewater heat recovery, flue gas heat recovery, vapor/steam curing and conditioning, and total system monitoring. Built for the most challenging conditions, Kemco's systems are built to the highest standards of excellence, offering exceptional reliability, outstanding quality and top value for its client's energy dollar.*

Inquiries and question about Kemco should be sent to:

Eisa Sawyer, Marketing Coordinator
